

A HEALING PRAYER

In the name of the Father, and of the Son, and of the Holy Spirit. Amen

Oh, Great Holy Spirit, drive away from me all forms of sickness and disease. Oh Lord, restore and renew strength to my body, my mind, and my soul, so that in my renewed health we may bless and serve You, now and forevermore. Oh, Divine Lord, we come before You today in need of Your healing touch – Your healing hand, We know in You Oh God, that all things are possible. Hold my heart within Yours and renew our minds and spirits. We are lost, but we come to You with grace and praise to Your name. God, You give us life, and You also give us the gift of infinite joy. Give us the strength to move forward on the path You have laid out for us. Guide us toward better health and wellness and give us the wisdom to identify those You have place around us to help us get healthy as a people. Amen
